2019 CRUISE GUIDE

Welcome to Port Everglades

Celebrating the Past While Welcoming the Future

Broward County's 30,000 residents gathered to watch an explosion that opened the then land-locked port to the Atlantic Ocean.

A few years later, in 1931, the first cruise ships arrived. Today, Port Everglades is a cruising powerhouse and holds the distinction of being the third busiest cruise port in the world. Not bad for a 90-year-old!

New for 2019

This cruise season, Port Everglades continues the tradition of being the port of choice for cruise lines to launch their newest ships. The Port will welcome two inspiring cruise ships, Holland America's newest Pinnacle-class ship, the 2,650-passenger *Nieuw Statendam*; and the ship that Celebrity Cruises says is 'designed to leave the future behind,' the *Celebrity Edge*, which is the line's first new ship class in nearly a decade.

In anticipation of *Celebrity Edge's* arrival, Cruise Terminal 25 has been completely transformed into a chic, modern cruise terminal complete with second floor check-in and waiting areas, dramatic interactive art installations, improved traffic flow and state-of-the-art technology.

Another exciting feature for 2019 is more summer sailings. Cruisers will now have a wider selection to choose from with five cruise ships and one ferry service sailing from Port Everglades, including Carnival Cruise Line's *Carnival Magic*, Celebrity Cruises' *Celebrity Equinox*, Princess Cruises' *Caribbean Princess*, Royal Caribbean's *Allure of the Seas* and *Majesty of the Seas* and Balearia Caribean's *Jaume 1* (ferry).

Located in the heart of South Florida, Port Everglades offers a wide variety of cruising itineraries. From short introductory cruises to exciting aroundthe-world excursions, there's a cruise itinerary to suit just about everyone's schedule and expectations.

Cruise planning is just a swipe away with the CruiseSchedule Port Everglades App

- Fully-searchable cruise schedule
- Port-of-call itinerary lists with maps
- Turn-by-turn GPS navigation for terminals/parking
- and much more!

Getting Here

ocated on the southeast coast of Florida, in the heart of Broward County, Port Everglades is accessible by air, car, taxi, bus and rail.

Port Everglades has three entrances:

I-595 East

State Statute 311.12 (b) (3).

- State Road 84, located at Spangler Boulevard
- 17th Street Causeway, located at Eisenhower Boulevard

Each entrance has a security checkpoint. Cruise guests and visitors age 18 and older must present a government-issued photo ID (such as a driver's license or passport) and cruise documents at the security checkpoint. No weapons (including permitted weapons) are allowed on Port property in accordance with Florida

PORT EVERGLADES

Road

The Port is accessible from 1-595, 1-95, 1-75, US 1 (Federal Highway) and Florida's Turnpike. The best time to arrive for embarkation is after noon.

Air

Port Everglades is the only cruise port in the U.S. located adjacent to an international airport. The Fort Lauderdale-Hollywood International Airport (FLL) is one of the fastest growing airports in the country and is just minutes from our cruise terminals.

While we strive for 15 minutes from curbside at the cruise terminal to the ship, cruise guests should allow a minimum of one hour for the transfer process from FLL. This includes claiming luggage at the airport, boarding transportation to the Port, clearing the security checkpoint at the Port's entrance, checking luggage curbside, filling out forms and other documentation at the cruise terminal and walking onboard. The best time to arrive for embarkation is after noon.

Cruise passengers prefer the lower cost and convenience of Fort Lauderdale-Hollywood International Airport. Visit fll.net or download the FLL app for more information. Other airports near Port Everglades:

- Miami International (MIA): 27 miles south of Port Everglades. Allow two to three hours between flight arrival and cruise check-in.
- Palm Beach International (PBI): 50 miles north of Port Everglades. Allow three to four hours between flight arrival and cruise check-in.

Clearing Customs/FAQs Clearing Customs Can Be Quick and Easy

Protection (CBP) programs to expedite the cruise guest re-entry process. It is the first seaport in the U.S. to launch or pilot several high-profile Customs programs, including Global Entry and Mobile Passport Control.

Port Everglades offers CBP's Global Entry program in all its terminals, giving card holders expedited — front of the line — processing. To use Global Entry, travelers must be pre-approved by CBP and have their Global Entry card with them to show to the CBP officer upon debark (no kiosks). To qualify for Global Entry, applicants undergo a rigorous background check and in-person interview before enrollment. To learn more, visit cbp.gov/global-entry/about.

First introduced in the 2017 season, Mobile Passport Control (MPC) is a mobile app that allows debarking U.S. citizens with a passport to complete a Customs declaration using their smart phones or other mobile devices. Cruise guests can download the MPC app from the Google Play or Apple App stores and create a profile with their passport book information. Prior to debarking, cruisers will complete the "New Trip" section by:

- Selecting port, cruise line, and arrival terminal
- Taking a self-photo
- Answering a series of Custom's declaration questions

Cruise guests then submit their Customs declaration through the app to receive an electronic receipt with an encrypted QR code. Finally, they bring their passport and mobile device with their QR coded receipt to a CBP officer to finalize their inspection for entry into the United States. Visit cbp.gov and select "Mobile Passport Control" from the TRAVEL tab in the top navigation bar.

Cruise FAQs

How can I prevent illness during my cruise?

The best source for information about travel-related illnesses, including Norovirus and Zika, is the U.S. Center for Disease Control. Visit cdc.gov/travel, cdc.gov/norovirus or cdc.gov/zika.

Do I need a Passport or Birth Certificate to cruise? It all depends on where you are going. Contact your cruise line or visit U.S. Customs & Border Protection at cbp.gov/travel.

How far is the airport from the cruise ship terminal? The main airport serving Port Everglades is Fort Lauderdale-Hollywood International Airport (FLL), which is located less than two miles away.

Should we park first or go straight to the terminal? We recommend dropping off all luggage and passengers at the terminal before parking.

What should I keep with me?

Keep cruise documents, photo ID, proof of citizenship, valuables and any medications in your carry-on bag. You will be asked to show your documents/ ID several times during the check-in process. Never put these items in your checked luggage.

Is there a lost and found department?

Contact your cruise line. Items lost in or around the terminals are managed by the cruise lines, not the Port.

How/when do I pay for parking?

When you exit the garage/parking lot after your cruise you can pay with cash or credit card.
